ISLAND CIDERS

- Kings and Spies, 8% ABV, Sea Cider, Cowichan Valley, BC** ... 8oz \$11 bottle \$47
Crafted from a blend of Victoria's heritage apples, we press the apples in the early fall then ferment the juice with a Champagne yeast to induce a malolactic fermentation. The unique aging process yields an aromatic, creamy, Italian-style sparkling cider reminiscent of frizzante Prosecco
- Rum Runner, 12.5% ABV, Sea Cider, Cowichan Valley, BC** ... 8oz \$11 bottle \$47
Crafted with home-grown heritage apples, Rumrunner's apples are hand-pressed using our traditional rack and cloth press, slowly fermented with Champagne yeast, then aged in rum-soaked bourbon barrels for a minimum of six months. Aromas of brown sugar and rum show the complexity of this semi-dry sparkling cider
